

Scripture Study App Setup Instructions for Windows

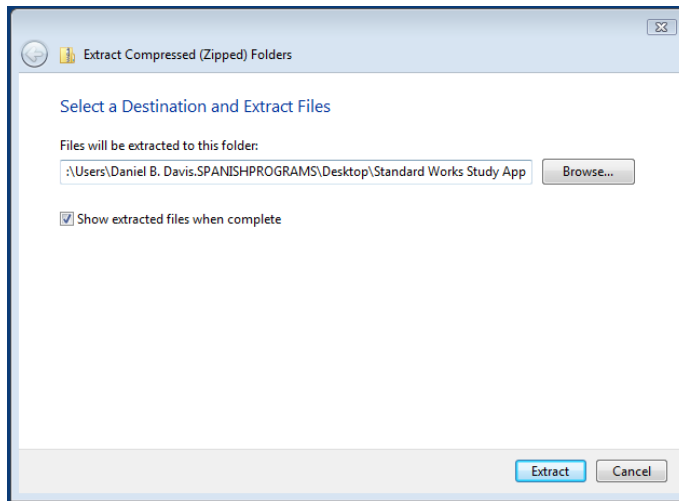

1. Click the Download Now link to download the file. When asked if you want to open or save the file, click save and save it to your desktop.

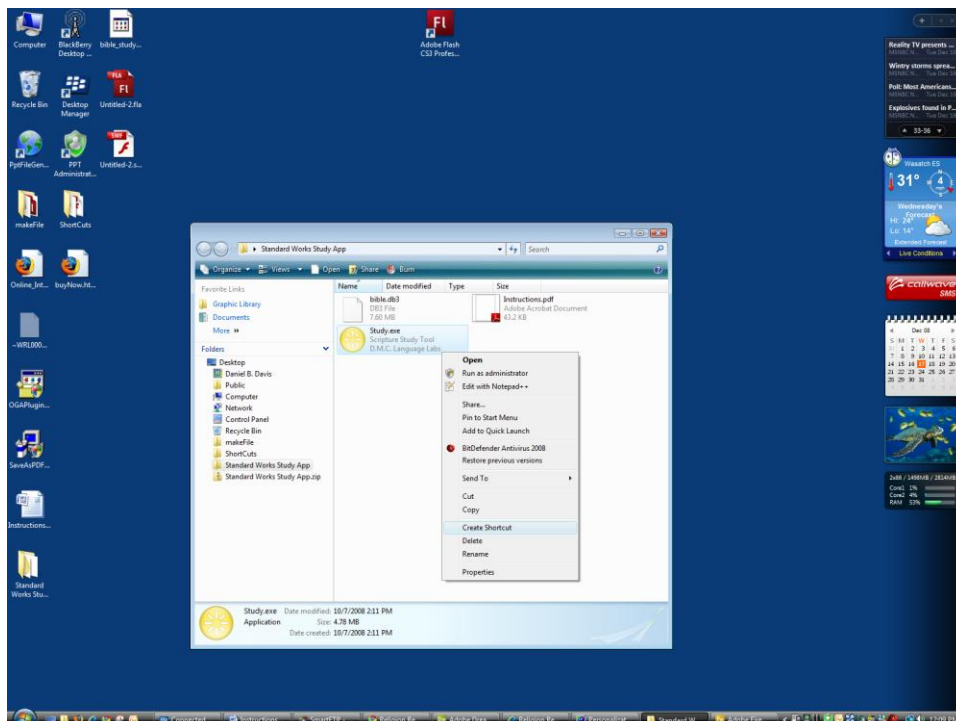

2. Right click on the study app zip file and select extract all.

3. Select a location to save the files to be extracted. Make sure the “show extracted files when complete” check box is selected and click “Extract”.

4. All the necessary files are extracted to the specified location.
5. If desired, create a shortcut for your desktop by right clicking on Study.exe and selecting “Create Shortcut”.

6. Drag the new shortcut to your desktop. Now you can launch the application from your desktop just by double clicking the icon.
